HydraFacial™

HydraFacial™ is an invigorating, customizable treatment that promotes long-term skin health for all skin types. This 30-minute service delivers instant, noticeable results with no downtime or irritation. It exfoliates and extracts impurities while infusing the skin with hydrating serums, leaving it refreshed, radiant, and revitalized.

Signature HydraFacial™

this treatment deeply cleanses, extracts, and hydrates the skin utilizing super serums filled with antioxidants, peptides and hyaluronic acid.

SkinStylus™ Nano-Needling

this treatment uses precision nano-needles to boost collagen, improve texture, and enhance product absorption, revealing smoother, more radiant skin. Ideal for reducing fine lines, evening tone, and revitalizing your complexion with zero downtime.

Deluxe HydraFacial™

this is an invigorating treatment that includes all the essentials of the Signature HydraFacial™ while addressing your skin concerns with advanced solutions to address your specific need. This treatment includes LED Light Therapy to further enhance therapeutic outcomes.

The Deluxe HydraFacial™ options:

1. RESTORATIVE HYDRAFACIAL™
CTGF™ (connective tissue growth factor) to improve the appearance of skin tone, texture, and elasticity and aids in anti-aging.

2. CLARIFYING HYDRAFACIAL™
Extended extractions and both red & blue LED Light Therapy for oil congested skin, inflammation and bacteria.

3. RADIANCE HYDRAFACIAL™
Britenol™ boost to minimize the appearance of dark spots and sun spots. Uses red LED Light Therapy.

4. AGE REFINEMENT HYDRAFACIAL™ DermaBuilder™ boost to reduce signs of aging with the use of peptides. Uses red LED Light Therapy.

NEW! HydraFacial™ by Epicutis

A technology-powered facial combining the exfoliating, deep-cleansing action of HydraFacial with the restorative, microbiome-friendly formulations of Epicutis. After a gentle oil cleanse and optional enzymatic exfoliation, the HydraFacial protocol extracts impurities while delivering intense hydration. A cooling biocellulose mask with patented TSC technology calms and replenishes, enhanced by ice globes and optional LED Therapy. Finishing layers of Arctigenin, Hyvia®, and lipid-based hydration leave skin refined, luminous, and deeply restored. Ideal for dullness, congestion, or dehydration.

Platinum HydraFacial™ THE ULTIMATE HYDRAFACIAL™ EXPERIENCE

begin this detoxification process with lymphatic drainage. Continue with a deep cleanse, extractions and hydration of the skin while addressing specific skin care concerns. This HydraFacial™ includes the CTGF™ Boost and concludes with red LED Light Therapy. The Platinum HydraFacial™ delivers a luxurious facial experience.
